FEMALE, MALE or DUET

I can't put my finger on it; nothing's changed since yesterday,
But the blues just came up on me, like a hurricane in May.
And I hope that by tomorrow, I can put a smile back on,
Find a reason to be happy, let the blues be really gone....

If I'm gonna be *blue*, if I'm gonna be *blue*,
If I'm gonna be *blue*, it's gotta be the **PERFECT SHADE**.
If I'm gonna be *blue*, since I'm gonna be *blue*,
If I'm gonna be *blue*, it's got to be custom made.

Don't need anyone's permission; I'll just give in to myself,
Spend the day without ambition; leave those deadlines on the shelf.
Thinking the things I need to think, taking the time I want to take,
To figure out how I can heal and maybe learn from my mistakes....

If I'm gonna be *blue*, if I'm gonna be *blue*,
If I'm gonna be *blue*, I'm gonna pick the **PERFECT SHADE**.
If I'm gonna be *blue*, since I'm gonna be *blue*,
If I'm gonna be *blue*, it's got to be custom made.

Like a brand new box of crayons, colors fill the world I know,
But when I'm feeling down there's just one that shows....

If I'm gonna be *blue*, if I'm gonna be *blue*,
If I'm gonna be *blue*, it's gonna be the **PERFECT SHADE**.
If I'm gonna be *blue*, since I'm gonna be *blue*,
If I'm gonna be *blue*, it's got to be tailor made, tailor made.
