She was my dream girl on that summer break  
When our families rented cabins down at the lake.  
We met at midnight, at the end of the dock,  
Sat down in a boat and talked....

Under a crescent moon,  
Beneath a shimmer of light,  
I could see a smile in her eyes.  
Heart to heart, all through the night,  
We shared secrets... between kisses...  
Under the stars at **SILVER LAKE**.

I saved every letter she sent me that year  
Counted the days 'til I'd hold her near.  
Though our story lines have gone separate ways,  
I long for those tender days....

### CHORUS

Today I let myself drift back to that time  
Where her silhouette lingers in the back of my mind....

Under a crescent moon,  
Beneath a shimmer of light,  
I could see a smile in her eyes.  
Heart to heart, all through the night,  
We shared secrets... between kisses...  
Under the stars at **SILVER LAKE**.

**TAG:** Under the stars at **SILVER LAKE**.
